## my animal friends: underwater mission

26 × 13'/HD/2014

This series is a unique look at the early life and development of young animals that live in the sea, edited and narrated from their own viewpoint. As children explore the wonders of animal life, their natural fascination will deepen into a true love and appreciation of animals.

## my animal friends

26 × 13'/13 × 26' HD/2014

This series is a unique look at the early life and development of young animals, edited and narrated from the viewpoint of the animals themselves. As children explore the wonders of animal life, their natural fascination will deepen into a true love and appreciation of animals.

## my animal family

26 × 15'/2009

Children will be captivated as they watch unforgettable, award-winning animal footage and hear a child's voice narrate a day in the life of a baby animal's family.

While children explore the animals on our planet, they learn valuable life skills and they develop and strengthen.

## discover the olympics

29 × 3,5'/2008

Accompanied by our animated friends, Cecile and Pepo, kids from 3 to 10 explore the most popular Olympic sports and learn a little about the basic rules. A great entertainment for the whole family!

## discover the world

20 × 5'/2008

Designed for kids up to 10 years, this series takes you on a fantastic journey to some of the best-loved countries in the world with our animated friends, Cecile and Pepo, to guide you!
