LIFESTYLE

food fact fun

10 x 30' /4K /2016

This show gives viewers a detailed insight into a particular place listing the three must see: sites, things to do, and three delicacies to taste. The first 8 eps cover cities in Canada, with the remaining eps visiting Vietnam and Korea.

kindness diaries

13 x 30' /HD/2015

A man makes a life changing decision to see if genuine kindness still exists in the world. Leon, a man with everything one could want, relies on the kindness of strangers to travel around the world, without a cent to his name. As a token of his gratitude for their selfless acts of kindness, Leon rewards each of his travel benefactors with a life changing gift.

garden gurus

65 x 30' /HD/ 2014-2016

Hosted by renowned garden experts Trevor Cochrane, Kim Syrus and other horticulture experts, this series is great for gardening newcomers and professionals. Watch as these gardening gurus share their fantastic ideas, stories, designs, and celebrity gardens, to show how to maximize your gardening spaces, make them functional, beautiful and most importantly make gardening easy and enjoyable.

engenuity

78x30 min.(39 eps in SD + 39 eps in HD), 2010-2016

Let us take you behind the wheel, under the hood and inside the showrooms of the world's most exciting cars! Showcasing the latest in automotive technology and the shiniest and sleekest vehicles on the market.

upside down pilates

61 x 30' /HD/Hosted/2014

The mission of Upside-Down Pilates is to provide individuals with the knowledge, encouragement, and drive to transform and maintain a strong and supple body.

foodicted
